

**PROJECT  
NOURISH**

## **VOLUNTEER CHEF**

### *Role and Responsibilities*

**ROLE:** Volunteer Chefs support our hunger relief meal program by helping plan the menu and recipes for our Community Cooking Days sessions. As a Volunteer Chef, this individual brainstorms how to use Kitchens for Good's inventory of rescued produce and dry goods to create menus for the production of +100 meals. The Volunteer Chef works with our Community Cooking Days Volunteer Team to convert the recipes, designate roles, and determine work flow for our weekly Community Cooking Day sessions.

**PURPOSE:** The support and expertise provided by the Volunteer Chef is pivotal in achieving our mission to produce delicious, nutritious meals. This volunteer's culinary experience is extremely helpful in the recipe development and production of our hunger relief meals.

**ACTIVITIES:**

- Coordinating with CCD Chef Team to plan recipes for hunger relief meals
- Training volunteers on culinary techniques during cooking session

**SCHEDULING:** Weekly meetings and pre-planning sessions are involved; however, we are always happy to work with volunteers' different schedules. Volunteers are welcome to work remotely for recipe planning. The Volunteer Chef will coordinate with the Volunteer Coordinator to determine a weekly schedule.

**QUALIFICATIONS:**

- Experience in the culinary field or other relevant experience
- Knowledge of food safety and kitchen safety protocol
- Desire to teach others and facilitate group activities

**SUPPORT:** The Volunteer Chef will participate in an initial planning meeting and KFG volunteer orientation with the Volunteer Coordinator. Access to internal resources and other information will be shared with Volunteer Chef.

**GET INVOLVED:** Want to plan the menu for our next hunger relief meal? Please email [volunteer@kitchensforgood.org](mailto:volunteer@kitchensforgood.org) or call (619) 450-4040 to express your interest in this role.

**TIME & FREQUENCY:**

3 - 10 hours / week

planning meetings

recurring or one-time  
(flexible)
